- Jumpmaster Course: Due to COVID-19 impacts and restrictions, the Jumpmaster Course will be held on a split schedule basis with a maximum fill of 40 students. Students must bring their own mask or approved face covering in accordance with local command guidance.

### **\*\*\*New BAR Requirements\*\*\***

- See requirements under Basic Airborne Refresher section for more details.

The United States Army Advanced Airborne School conducts a variety of courses throughout the year to enable individual and unit readiness. Dates are published for the fiscal year, although, operational needs of the Corps/Division, un-forecasted mandatory DONSA's, and weather related events can cause dates to be moved, rescheduled or cancelled, with little notice. Contact the school prior to the scheduled date of training for changes or review either the [USAAAS DEPS](#) page or [Facebook page](#) for the most up to date and accurate changes to the schedule.

## **R2 JUMPMaster MONTHLY 1-DAY JUMPMaster PREPARATION COURSE**

### **General Course Objectives**

This course is designed to help Soldiers who are preparing to attend the 3-week Jumpmaster Course in two ways:

- (1) To help them learn mental and emotional strategies to maximize performance and stress during the 3-week course. Especially dealing with the stress and pressure of passing JMPI.
- (2) To be introduced to brain and learning science, study hacks, and test taking strategies; to help them refine their study strategies so they can excel during the academic portions of the JM course.

Ideally this course is run and attended 1-2 weeks prior to attendance in the 3-Week JM Course

**\*This course will NOT attempt to teach/practice the actual JMPI sequence as this course is instructed by human performance specialists and not black-hat instructors.**

**\*\*If students are unable to attend these course dates, but are still interested in preparing for Jumpmaster, we can offer one-on-one mastery training that covers similar topics but is focused on individual needs and goals. To sign up for mastery training follow the same procedures as below.**

**\*\*\*Units may also request additional training dates to accommodate their Paratroopers.**

### **Required Materials**

- (1) Digital or physical copy of the Jumpmaster Student Study Guide (NOTE: These supplies will not be provided by the Ready and Resilient Performance Center)
- (2) All relevant personal equipment that you will bring to the Jumpmaster Course.
- (3) Notebook and writing utensil.
- (4) Mask or approved face covering in accordance with local command guidance.

This 1-Day course is a standard 0800-1700 day with a one-hour lunch break.

### **R2 Jumpmaster Preparation Course Attendance**

All Paratroopers who are preparing to attend the Jumpmaster Course are welcome to attend. This is not an ATRRS course; attendance is allocated on a first come first serve basis.

- (1) Please call (910) 908-4459 to sign up
- (2) Location: R2 Performance Center, 1 All-American Way, Gavin Hall, Room 160

**\*Due to COVID-19 impacts and restrictions, maximum capacity is 26 personnel in order meet social distancing requirements. Students should bring their own mask or approved face covering in accordance with local command guidance.**
